Luis Diego Montero Vargas

Information Technology & Big Data

Profile

With over 5 years of experience in technical support, I am currently studying for a degree in **Big Data**, with knowledge in **Python, R and Oracle** and a specialization in **database analysis and administration**, with experience in **ETL** process development, **Power BI** as a visualization tool, programming and analysis **R, SQL Server, and Oracle**. With +2 years of experience in the area.

In my **technical support** experience, I have excelled in effectively **solving hardware issues**, delivering basic workshops on equipment maintenance, managing **IT inventories**, and creating **system backups**. Additionally, I have worked in high-pressure environments, assisting clients both on-site and remotely, primarily in Spanish, with occasional interactions in English.

Previous Jobs

JUNE 2019 – FEBRUARY 2024 | UNIVERSIDAD LATINA | UNIVERSIDAD AMERICANA

Technical Support

- Provide technical support for hardware and software equipment, assisting users in person, remotely, and by phone.
